**Subject:** RE: Proposed Path Forward to EPA July 15th FS Key Elements Comments With a July 29th Dispute Deadline  
**Date:** 07/28/2011 09:15 AM

---

Chip and Kristine:

As stated in our email yesterday (below) we need to wrap-up the comments related to the July 29th dispute deadline by close of business tomorrow. In order to do so we need feedback from EPA by noon tomorrow (including feedback on comments # 16, 18, and 21). If you have any questions regarding these three comments, or anything else related to the draft resolution table, please feel free to call me.

Thanks, Jim.

**Subject:** Proposed Path Forward to EPA July 15th FS Key Elements Comments With a July 29th Dispute Deadline

Chip, Kristine,

Attached please find a table capturing the resolutions reached in our call yesterday regarding EPA's comments on the FS key elements. Because of the impending dispute deadline, we request EPA's concurrence by noon on Friday, July 29<sup>th</sup> that: (1) this table incorporates all directive comments that have a July 29<sup>th</sup> dispute resolution; (2) with respect to comments 16, 18 and 21, which EPA needed further time for evaluation, EPA concurs with the proposed path forward; and (3) with respect to all other comments in the table EPA agrees that this accurately captures the agreed upon proposed path forward.

EPA clarifications to the directive nature of comments are noted in redline under the column labeled "Directive?". Also, the content of the last two columns of this table was changed to be consistent with the path forward discussions.

Please let us know if you have any questions.

Thank you,  
Jen Woronets ☺
